

GUIDE FOR DOWNLOADING PRODUCTS' SUPPLY DOCUMENTATION

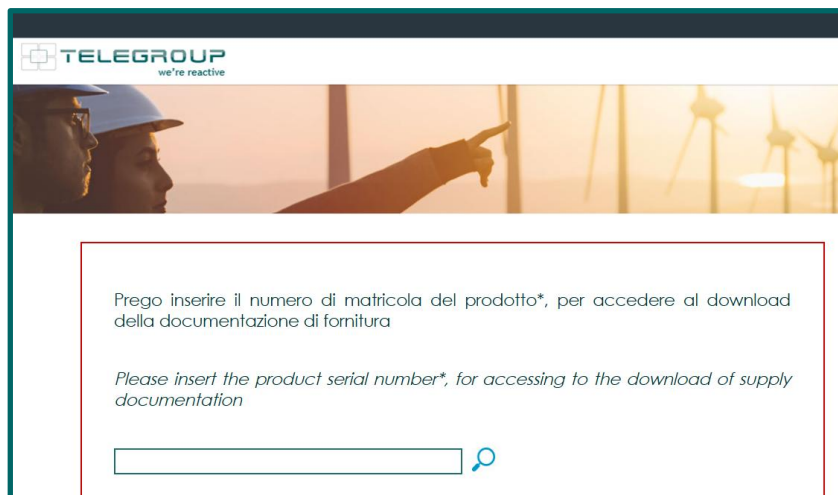

From June 23rd 2025, the supply documentation (CE Certificate, Warranty Certificate, Test Certificate, Wiring Diagram, Layout, etc.) relating to all products will be provided only and exclusively in digital format.
The products will be exclusively accompanied by a start-up manual and main functions in hard copy.

To download the documentation, please follow the below indicated procedure

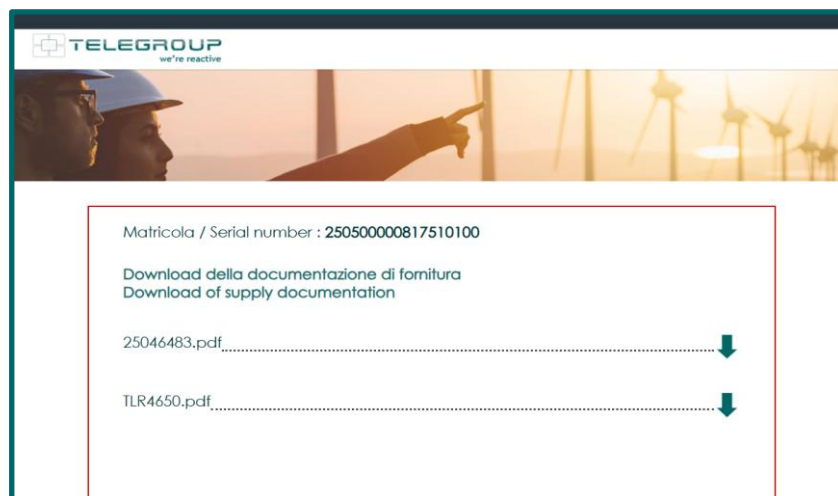

1 Access the website www.telegroup.it, from the main menu click on the SUPPORT section.

From the relevant drop-down menu, click on the Reserved Area section

2 On the redirect page, enter the serial number

*the serial number is indicated in the order confirmation, transport document and invoice, as well as being shown on the silver data plate, applied to the front door of all products.

3 Once logged in, you will be able to download the product documentation in PDF format.

If additional documentation is required to that provided as standard, please send an email to service@telegroup.it. We will insert the document into the reserved area of the product.
